We will refund your money if we do not find ways to put at least \$2500 back in your pocket.

The iSPARK Event Check-Up service ranges from \$2500 to \$3500 CAD (+ applicable taxes). It can be done pre-event, post-event, or even onsite at this year's event to help you plan better for next year.

ADD-ONS

Many of our clients also opt-into the optional **Revenue Audit Service** as an add-on to the Event Check-Up. If you have a sponsorship, trade show or ticketing strategy that needs an objective outside perspective, we will review your current offerings and strategies and provide recommendations to tweak your programs to help you meet or surpass your revenue objectives.

Our **Event Coaching Service** is another popular add-on to the Event Check-Up. Because event planning and design is constantly evolving, we strive to stay on top of trends and ahead of the curve and enjoy bringing that experience to others.
